**DATE:** August 3, 2020

**TO:** USAID/Benin, Country Representative, Carl Anderson

**FROM:** USAID OIG Africa Regional Office, Assistant Director, Matthew Rathgeber /s/

**SUBJECT:** Financial Audit of USAID Resources Managed by National Malaria Control Program in Benin Under Sub-DOAG 680-0233, Implementation Letters 19 and 27, October 1, 2015, to December 31, 2017 (Report No. 4-680-20-098-R)

This memorandum transmits the final audit report on USAID resources managed by National Malaria Control Program (NMCP) in Benin. NMCP contracted with the independent certified public accounting firm COFIMA, Cotonou, Benin, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on NMCP's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate NMCP's internal controls; (3) determine whether NMCP complied with award terms and applicable laws and regulations; and (4) review the implementation status of the prior period recommendations.

To answer the audit objectives, COFIMA (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by NMCP as incurred from October 1, 2015, to December 31, 2017; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to NMCP's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; and (4) reviewed the implementation status of the prior period recommendations. NMCP reported expenditures of \$1,545,132<sup>2</sup> in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also issued a management letter.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated August 3, 2020.

Accordingly, we do not make any recommendations.

We appreciate the assistance extended during the engagement.
