<sup>&</sup>lt;sup>1</sup> On June 30, 2017, USAID OIG rescinded its "Guidelines for Financial Audits Contracted by Foreign Recipients," recognizing the Agency's role to impose requirements on its implementing partners and contractors as a management function. This contracted audit, however, follows the Guidelines.

opinion on REDDOM's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>2</sup>

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate REDDOM's internal controls; (3) determine whether REDDOM complied with award terms and applicable laws and regulations; (4) determine if cost-sharing contributions were made and accounted for by REDDOM in accordance with the terms of the agreement; and (5) determine if REDDOM has taken adequate corrective action on prior audit recommendations. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; compliance with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The audit covered \$956,996 of USAID expenditures for the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms.

The audit firm stated that based on their review, nothing came to their attention that caused them to believe that REDDOM did not fairly present the cost sharing contributions schedule, in all material respects, in accordance with the basis of accounting used to prepare the cost sharing contributions schedule.

The audit firm stated that the recipient has not taken adequate corrective action to address the prior audit report recommendation.

During our desk review, we noted minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated September 16, 2020.

Based on the results of the desk review, OIG is not making any recommendation to USAID/Dominican Republic.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4)("commercial or financial information obtained from a person that is privileged or confidential").

<sup>&</sup>lt;sup>2</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.
