**SUBJECT:** Performance Audit of the Adequacy of the Accounting System Administration for

Knowesis, Inc. (3-000-22-012-I)

This memorandum transmits the final report on the Performance Audit of the Adequacy of the Accounting System Administration for Knowesis, Inc.'s (Knowesis). The U.S. Agency for International Development (USAID) Office of Acquisition and Assistance, Cost, Audit, and Support Division contracted with the independent certified public accounting firm of Booth Management Consulting LLC (BMC) to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the adequacy of Knowesis' accounting system administration; the effectiveness of its internal controls; or its compliance with applicable Federal laws and regulations.

The audit objectives were to evaluate whether Knowesis has established an adequate accounting system and whether the accounting system:

- Complies with applicable Federal laws and regulations
- Ensures adequate segregation of cost, billing, and reporting purposes
- Adequately accumulates, segregates, and identifies costs under U.S. Government awards
- Allows for the proper segregation between direct, indirect, and unallowable costs in compliance with applicable Government regulations.

To answer the audit objectives, the audit firm used the requirements contained in: (a) the Code of Federal Regulations (CFR), Section 252.242-7006, Accounting System Administration; (b) USAID Acquisition Regulations (AIDAR); and (c) Federal Acquisition Regulation (FAR). In addition, BMC conducted this performance audit from August 23, 2021, through September 23,
