### MEMORANDUM

**DATE:** June 1, 2022

**TO:** USAID/Management/Office of Acquisition and Assistance/Cost, Audit and Support Division, Supervisory Auditor, Eleanor C. Jefferson

**FROM:** Director of External Financial Audit Division, David A. McNeil /s/

**SUBJECT:** Financial Audit of Danish Refugee Council Under Multiple Awards, for the Fiscal Year Ended December 31, 2019, (3-000-22-016-R)

This memorandum transmits the final audit report on the recipient contracted audit of Danish Refugee Council (DRC) under multiple awards for the fiscal year ended December 31, 2019. DRC contracted with the independent certified public accounting firm Deloitte Denmark to conduct the recipient contracted audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS) and U.S. Agency for International Development (USAID) Financial Audit Guide for Foreign Organizations. However, it did not have a continuing education program that fully complies with GAGAS requirements and an external peer review because such a program is not offered in Denmark. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on DRC's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to: (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate DRC's internal controls; (3) determine whether DRC complied with award terms and applicable laws and regulations; (4) perform an audit of the indirect cost rate; and (5) perform an audit of the general purpose financial statements. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project, tested compliance with applicable laws, regulations, and award terms, and reviewed project expenditures. The report on the fund accountability statement disclosed that USAID) audited expenditures were \$ 49,984,088 for the fiscal year ended December 31, 2019.

The audit firm concluded that the fund accountability statement presented fairly, in all material respects, program revenues, costs incurred and reimbursed, and commodities and technical

assistance directly procured by USAID for the year ended December 31, 2019, in accordance with the terms of the agreements and in conformity with the accrual basis of accounting. The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms. The audit firm concluded the financial statements presented fairly, in all material respects, the financial position of DRC as of December 31, 2019. Furthermore, the audit firm stated that the schedule of computation of indirect cost rate was fairly stated in all material respects in relation to the basic financial statements taken as whole.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to Reginald W. Mitchell, dated June 1, 2022.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
