MEMORANDUM

DATE: September 22, 2022

TO: USAID/Zimbabwe, Acting Mission Director, Ramses Gauthier

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by an Implementer in Zimbabwe Under Cooperative Agreement 72061320CA00003, August 30, 2020, to September 30, 2021 (Report No. 4-613-22-100-R)

This memorandum transmits the final audit report on USAID resources managed by an implementer in Zimbabwe. The implementer contracted with the independent audit firm Grant Thornton, Harare, Zimbabwe to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the implementer's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate the implementer's internal controls; (3) determine whether the implementer complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Grant Thornton (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by the implementer as incurred from August 30, 2020, to September 30, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to the implementer's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the

award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. The implementer reported expenditures of \$1,039,661 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and one instance of material noncompliance. In addition, although we are not making a recommendation for the significant deficiency noted in the report, we suggest that USAID/Zimbabwe determine if the recipient addressed the issue noted.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated September 22, 2022.

To address the issue identified in the report, we recommend that USAID/Zimbabwe:

Recommendation I. Verify that the implementer corrects the one instance of material noncompliance detailed on pages 17 and 18 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
