

## OFFICE OF INSPECTOR GENERAL U.S. Agency for International Development

### MEMORANDUM

**DATE:** September 26, 2022

**TO:** USAID/El Salvador Mission Director, Christopher Cushing

**FROM:** USAID OIG Latin America and Caribbean (LAC) Regional Office, Senior Auditor, John Vernon /s/

**SUBJECT:** Financial Audit of the Opportunities Program in El Salvador, Managed by Fundación Gloria de Kriete, Cooperative Agreement 72051921CA00001, April 6 to December 31, 2021 (9-519-22-034-R)

This memorandum transmits the final audit report on the Opportunities program in El Salvador Fundación Gloria de Kriete (FGK) contracted with the independent certified public accounting firm Elias & Asociados to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have a continuing education program that fully complied with GAGAS requirements or an external peer review because such program is not offered in El Salvador. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on FGK's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate FGK's internal controls; (3) determine whether FGK complied with award terms and applicable laws and regulations; and (4) determine if cost-sharing contributions were made and accounted for by FGK in accordance with the terms of the agreement. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; assessed and tested compliance with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The audit covered \$762,300 of USAID expenditures for the audited period.

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms. The audit firm issued a management letter which included immaterial instances of noncompliance. The audit firm included personally identifiable information (PII) in finding 3 of the management letter.

The audit firm stated that based on their review, nothing came to their attention that caused them to believe that FGK did not fairly present the cost sharing contributions schedule, in all material respects, in accordance with the basis of accounting used to prepare the cost sharing contributions schedule.

During our desk review, we noted several minor issues which the audit firm should consider when preparing future audit reports. We presented these issues in a memo to the controller, dated September 26, 2022.

Based on the results of the desk review, OIG is not making any recommendation to USAID/EI Salvador.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b) (4) ("commercial or financial information obtained from a person that is privileged or confidential").
