

OFFICE OF INSPECTOR GENERAL U.S. Agency for International Development

MEMORANDUM

DATE: January 13, 2023

TO: USAID/Southern Africa, Acting Regional Mission Director, McDonald Homer

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Networking HIV & AIDS Community of Southern Africa Under Multiple Agreements, April 1, 2021, to March 31, 2022 (Report No. 4-674-23-046-R)

This memorandum transmits the final audit report on USAID resources managed by Networking HIV & AIDS Community of Southern Africa (NACOSA) under the following agreements: 1) Preventing HIV/AIDS in Vulnerable Populations focusing on Orphans and Vulnerable Children in the Western Cape Province, cooperative agreement 72067418CA00020; and 2) Community-Based Violence Prevention and Linkages to Response in South Africa cooperative agreement 72067419CA00005. NACOSA contracted with the independent audit firm Nexia SAB&T, Cape Town, South Africa to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on NACOSA's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate NACOSA's internal controls; (3) determine whether NACOSA complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Nexia SAB&T (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by NACOSA as incurred from April 1, 2021, to March 31, 2022; (2) evaluated the control environment, the

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

adequacy of the accounting systems, and control procedures that pertain to NACOSA's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. NACOSA reported expenditures of \$9,943,638 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also included a management letter as part of the audit report.

Accordingly, we are not making any recommendations.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated January 13, 2023.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
