**SUBJECT:** Financial Audit of Action Contre La Faim Under Multiple Awards, for the Fiscal Year Ended December 31, 2017, (3-000-23-002-R)

This memorandum transmits the final audit report on, the recipient contracted audit of Action Contre La Faim (ACF) under multiple awards for the fiscal year ended December 31, 2017. ACF contracted with the independent certified public accounting firm Gelman, Rosenberg & Freedman to conduct the recipient contracted audit. The audit firm stated that it performed its audit in accordance with United States Government Audit Standards and the Guidelines for Financial Audits Contracted by Foreign Recipients. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on ACF's fund accountability statement; the effectiveness of its internal control or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to: (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; and (2) evaluate ACF's internal controls; (3) determine whether ACF complied with award terms and applicable laws and regulations. noncompliance with applicable laws, regulations, and agreement terms. In the opinion of the other auditor, the audit firm concluded the financial statements gave a true and fair view of the financial position and the assets and liabilities of ACF as of December 31, 2017, and the results of its operations for the year then ended in accordance with Auditing and Accounting Standards and the specific inspections required by French law. The audit firm concluded that nothing came to their attention that caused them to believe that the cost-sharing schedule was not presented fairly, in all material respect, in accordance with the basis of accounting used to prepare the cost-sharing schedule. Furthermore, the audit firm stated that the statement of indirect rate calculation was fairly stated in all material respects in relation to the basic financial statements taken as whole.
