### MEMORANDUM

**DATE:** May 15, 2023

**TO:** USAID/South Sudan, Mission Director, Katherine Crawford

**FROM:** USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

**SUBJECT:** Financial Audit of USAID Resources Managed by RA International FZCO in South Sudan Under Contract 72066821C00004, May 26, 2021, to December 31, 2021 (Report No. 4-668-23-005-N)

This memorandum transmits the final audit report on USAID resources managed by RA International FZCO for life support services for U.S. Government employees in South Sudan. USAID/South Sudan contracted with the independent audit firm PKF Kenya LLP, Nairobi, Kenya to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have a continuing professional education program that fully satisfies the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on RA International FZCO's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate RA International FZCO's internal controls; and (3) determine whether RA International FZCO complied with award terms and applicable laws and regulations.

To answer the audit objectives, PKF Kenya LLP (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by RA International FZCO as incurred from May 26, 2021, to December 31, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to RA International FZCO's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; and (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

awards. RA International FZCO reported expenditures of \$1,888,610 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance.

Accordingly, we are not making any recommendations.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated May 15, 2023.
