MEMORANDUM

DATE: August 29, 2023

TO: USAID/Tanzania, Mission Director, Craig Hart

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Evangelical Lutheran Church in Tanzania Under Cooperative Agreement 72062122CA00003, April 1 to December 31, 2022 (Report No. 4-621-23-105-R)

This memorandum transmits the final audit report on USAID resources managed by Evangelical Lutheran Church in Tanzania (ELCT) under the Kizazi Hodari Northeastern Zone Program. ELCT contracted with the independent audit firm Claritas International, Dar es Salaam, Tanzania to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review and or continuing professional education that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on ELCT's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate ELCT's internal controls; (3) determine whether ELCT complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Claritas International (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by ELCT as incurred from April 1 to December 31, 2022; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to ELCT's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and

¹ We reviewed the audit firm's report for conformity with professional reporting standards. regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) determined that the review of the implementation status of the prior period recommendations is not applicable since this is the first year of award audit. The recipient reported expenditures of \$1,448,892 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and three instances of material noncompliance. In addition, although we are not making a recommendation for the significant deficiencies noted in the report, we suggest that USAID/Tanzania determine if the recipient addressed the issues noted.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated August 29, 2023.

To address the issues identified in the report, we recommend USAID/Tanzania:

Recommendation I. Verify that Evangelical Lutheran Church in Tanzania corrects the three instances of material noncompliance detailed on pages 39 to 43 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
