MEMORANDUM

DATE: October 17, 2023

TO: USAID/Zimbabwe, Acting Mission Director, Priscilla Sampil

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Closeout Audit of USAID Resources Managed by Mavambo Orphan Care in Zimbabwe Under Cooperative Agreement AID-613-A-15-00002, January 1, 2022, to March 31, 2023 (Report No. 4-613-24-001-R)

This memorandum transmits the final audit report on USAID resources managed by Mavambo Orphan Care under the Mavambo Children Vana Program. Mavambo Orphan Care contracted with the independent audit firm BDO, Harare, Zimbabwe to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Mavambo Orphan Care's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate Mavambo Orphan Care's internal controls; (3) determine whether Mavambo Orphan Care complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, BDO (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by Mavambo Orphan Care as incurred from January 1, 2022, to March 31, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to Mavambo Orphan Care's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not

observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. Mavambo Orphan Care reported expenditures of \$3,310,818 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and three instances of material noncompliance. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Zimbabwe determine if the recipient addressed the issues noted. The audit firm also issued a management letter.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated October 17, 2023.

To address the issues identified in the report, we recommend that USAID/Zimbabwe:

Recommendation I. Verify that Mavambo Orphan Care corrects the three instances of material noncompliance detailed on page 26 of the audit report and pages 7 to 10 of the management letter.

We ask that you provide your written notification of actions planned or taken to reach management decision.
