MEMORANDUM

DATE: October 30, 2023

TO: USAID/Zambia, Mission Director, Peter Wiebler

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Frankfurt Zoological Society in Zambia Under Cooperative Agreement 72061122CA00001, January 5 to December 31, 2022 (Report No. 4-611-24-014-R)

This memorandum transmits the final audit report on USAID resources managed by Frankfurt Zoological Society (FZS) under the Luangwa Livelihood and Conservation Activity. FZS contracted with the independent audit firm Baker Tilly Chartered Accountants, Lusaka, Zambia to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on FZS's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate FZS's internal controls; (3) determine whether FZS complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Baker Tilly Chartered Accountants (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by FZS as incurred from January 5 to December 31, 2022; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to FZS's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent

¹ We reviewed the audit firm's report for conformity with professional reporting standards. laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. FZS reported expenditures of \$1,922,929 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$4,137 in ineligible questioned costs; no material weaknesses in internal control; and three instances of material noncompliance. Since the questioned costs did not meet the OIG's established threshold of \$25,000 for making a recommendation, we are not making a recommendation. Nevertheless, we suggest that USAID/Zambia determine the allowability of the \$4,137 in questioned costs and recover any amount determined to be unallowable. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Zambia determine if the recipient addressed the issues noted.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated October 30, 2023.

To address the issues identified in the report, we recommend that USAID/Zambia:

Recommendation 1. Verify that Frankfurt Zoological Society corrects the three instances of material noncompliance detailed on pages 39 to 42 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
