

OFFICE OF INSPECTOR GENERAL U.S. Agency for International Development

MEMORANDUM

DATE: November 16, 2023

TO: USAID/Southern Africa, Regional Mission Director, Leslie Marbury

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Africa Resources Centre NPC in Multiple Countries Under Cooperative Agreement 72067419CA00007, January 1 to December 31, 2022 (Report No. 4-674-24-030-R)

This memorandum transmits the final audit report on USAID resources managed by Africa Resources Centre (ARC) in Kenya, Senegal, and South Africa under the Developing Cross-Sector Partnerships to Build Capacity and Strengthen Supply Chains for Improved Availability of Health Products in Africa program. ARC contracted with the independent audit firm Nexia SAB&T, Cape Town, South Africa to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on ARC's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate ARC's internal controls; (3) determine whether ARC complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Nexia SAB&T (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by ARC as incurred from January 1 to December 31, 2022; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to ARC's ability to report financial data consistent with the assertions embodied in each account of the schedule of

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. ARC reported expenditures of \$1,613,609 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also issued a management letter as part of the audit report.

Accordingly, we are not making any recommendations.

During our desk review, we noted an area for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated November 16, 2023.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
