MEMORANDUM

DATE: December 14, 2023

TO: USAID/Malawi, Mission Director, Pamela Fessenden

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Malawi Institute of Education Under Cooperative Agreement 72061221CA00009, June 22, 2021, to September 30, 2022 (Report No. 4-612-24-050-R)

This memorandum transmits the final audit report on USAID resources managed by Malawi Institute of Education (MIE) under Upper Primary Reading Activity (UPREAD). MIE contracted with the independent audit firm AMG Global, Lilongwe, Malawi to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on MIE's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate MIE's internal controls; (3) determine whether MIE complied with award terms and applicable laws and regulations; (4) review the indirect cost rate, or determine that the review of the indirect cost rate was not applicable; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, AGM Global (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by MIE as incurred from June 22, 2021, to September 30, 2022; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to MIE's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) determined that the review of implementation status of the prior period recommendations was not required. MIE reported expenditures of \$829,107 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm issued a management letter.

Accordingly, we are not making any recommendations.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated December 14, 2023.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
