SUBJECT: Single Audit of Consortium for Elections and Political Process Strengthening for the Year Ended September 30, 2018 (3-000-24-019-T)

This memorandum transmits the final audit report on the single audit of Consortium for Elections and Political Process Strengthening (CEPPS) for the Year Ended September 30, 2018. The audit report was obtained from the Federal Audit Clearinghouse. CEPPS contracted with the independent audit firm RSM US LLP (RSM) to conduct the audit. RSM stated that it performed its audit in accordance with U.S. Government accounting standards issued by the Comptroller General of the United States and in accordance with Title 2 Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. RSM is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CEPPS' financial statements; the effectiveness of its internal control; or its compliance with the awards, laws, and regulations.¹

RSM's audit objectives were to: (1) express an opinion on the financial statements; (2) obtain reasonable assurance about whether CEPPS' combined financial statements are free from material misstatement; and (3) express an opinion on compliance for each of CEPPS' major Federal programs based on its audit of the types of compliance requirements. To answer the audit objectives, RSM: (1) obtained evidence about the amounts and disclosures in the financial statements; (2) evaluated the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and evaluated the overall presentation of the financial statements; (3) considered CEPPS' internal control over financial reporting and performed tests of CEPPS' compliance with certain provisions of laws,

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

regulations, contracts, grant agreements, and other matters. RSM audited expenditures of \$80,445,920 under U.S. Agency for International Development's (USAID) awards.

RSM expressed an unmodified opinion on the financial statements and on compliance for major programs. Further, RSM reported that it did not find any deficiencies in internal control it considered to be material weaknesses or significant deficiencies in internal control over financial reporting and on internal control over major programs. Finally, RSM did not identify any audit findings required to be reported in accordance with 2 CFR 200.516(a) and did not identify any questioned costs in its Federal awards audit for CEPPS.

In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
