MEMORANDUM

DATE: March 20, 2024

TO: USAID/Kenya and East Africa, Mission Director, David Gosney

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Deloitte & Touche LLP in Kenya Under Cooperative Agreement 72061521CA00006, May 1, 2022, to April 30, 2023 (Report No. 4-615-24-076-R)

This memorandum transmits the final audit report on USAID resources managed by Deloitte & Touche LLP (Deloitte) under the Tujenge Jamii activity. Deloitte contracted with the independent audit firm KPMG, Nairobi, Kenya to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Deloitte's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate Deloitte's internal controls; (3) determine whether Deloitte complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, KPMG (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by Deloitte as incurred from May 1, 2022, to April 30, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to Deloitte's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material

¹ We reviewed the audit firm's report for conformity with professional reporting standards. effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. Deloitte reported expenditures of \$10,325,116 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$74,768 in ineligible questioned costs; no material weaknesses in internal control; and one instance of material noncompliance, which is a repeat finding from the prior period. The audit firm issued a management letter.

To address the issues identified in the report, we recommend that USAID/Kenya and East Africa:

Recommendation I. Determine the allowability of \$74,768 in ineligible questioned costs on pages 22, 38-39, 58-64, and 73-74 of the audit report and recover any amount that is unallowable.

We ask that you provide your written notification of actions planned or taken to reach management decision.
