This memorandum transmits the final audit report on USAID resources managed by THINK Tuberculosis and HIV Investigative Network (RF.) NPC (THINK) in South Africa under the following awards: 1) Safeguarding Advances in TB Treatment by Strengthening the MDR TB Health Care Platform-SAFT TB LON Project, cooperative agreement 72067419CA00013; and 2) ADAPT – Accelerating Against Pandemic Threats Project, subaward under Right to Care contract 72067422D00002. THINK contracted with the independent audit firm SustainAbility Solutions PC, Michigan, USA to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on THINK's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate THINK's internal controls; (3) determine whether THINK complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, SustainAbility Solutions PC (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by THINK as incurred from March 1, 2022, to February 28, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to THINK's ability to report financial data consistent with the assertions embodied in

each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. THINK reported expenditures of \$9,272,191 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$32,420 in ineligible questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm issued a management letter.

To address the issues identified in the report, we recommend that USAID/Southern Africa:

**Recommendation 1.** Determine the allowability of \$32,420 in ineligible questioned costs on pages 18 and 26 of the audit report and recover any amount that is unallowable.

We ask that you provide your written notification of actions planned or taken to reach management decision.
