MEMORANDUM

DATE: June 24, 2024

TO: USAID/Management/Office of Acquisition and Assistance/Cost, Audit, and Support Division, Contract Audit Management Branch, Supervisory Auditor, Sheree F. Marshall

FROM: Director of External Financial Audit Division (IG/A/EFA), David A. McNeil /s/

SUBJECT: Single Audit of IntraHealth International, Inc., for the Year Ended June 30, 2020 (3-000-24-046-T)

This memorandum transmits the final audit report on the single audit of IntraHealth International, Inc., (IHI) for the Year Ended June 30, 2020. The audit report was obtained from the Federal Audit Clearinghouse. IHI contracted with the independent audit firm RSM US LLP (RSM) to conduct the audit. RSM stated it performed its audit in accordance with U.S. Government accounting standards issued by the Comptroller General of the United States and Title 2 Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. RSM is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on IHI's consolidated financial statements; the effectiveness of its internal control; or its compliance with the awards, laws, and regulations.¹

RSM's audit objectives were to: (1) express an opinion on the June 30, 2020, financial statements; (2) obtain reasonable assurance about whether the financial statements are free from material misstatement; and (3) express an opinion on compliance for IHI's major Federal programs based on the types of compliance requirements described in the Office of Management and Budget's (OMB) Compliance Supplement that could have a direct and material effect on each of IHI's major Federal programs for the year ended June 30, 2020. To answer the audit objectives, RSM: (1) obtained evidence about the amounts and disclosures in the financial statements; (2) evaluated the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and evaluated the overall presentation of the financial statements; and (3) tested IHI's compliance with certain

provisions of laws, regulations, contracts, grant agreements, and other matters which could have a direct and material effect on the determination of financial statements. IHI's audited expenditures of Federal awards was \$83,244,598, of which the U.S. Agency for International Development's (USAID) audited expenditures amounted to \$61,163,162.

RSM expressed an unmodified opinion on the financial statements and on compliance for major Federal programs. Further, RSM reported that it did not find any material weaknesses in internal control over financial reporting and internal control over major programs. Finally, RSM did not identify any audit findings required to be reported in accordance with 2 CFR 200.516(a) and did not report any questioned costs. RSM did, however, identify one significant deficiency in internal control over financial reporting, against which no questioned costs were identified. We are not making a recommendation for the one significant deficiency RSM reported. However, we suggest that USAID/Management/Office of Acquisition and Assistance/Cost, Audit, and Support Division, Contract Audit Management Branch determine if IHI addressed the one significant deficiency RSM identified.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
