The audit report was obtained from the Federal Audit Clearinghouse. World Vision contracted with the independent audit firm KPMG LLP (KPMG) to conduct the audit. KPMG stated it performed its audit in accordance with U.S. Government accounting standards issued by the Comptroller General of the United States and Title 2 Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. control over financial reporting and on its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. World Vision's audited expenditures of Federal awards was \$235,645,252, of which the U.S. Agency for International Development's (USAID) audited expenditures amounted to \$218,367,206.

Finally, KPMG did not identify any audit findings required to be reported in accordance with 2 CFR 200.516(a) and did not report any Federal award findings and questioned costs.
