SUBJECT: Single Audit of Pathfinder International and Subsidiaries for the Year Ended June 30, 2020 (3-000-24-052-T)

This memorandum transmits the final audit report on the single audit of Pathfinder International and Subsidiaries (Pathfinder) for the Year Ended June 30, 2020. The audit report was obtained from the Federal Audit Clearinghouse. Pathfinder contracted with the independent accounting firm RSM US LLP (RSM) to conduct the audit. RSM stated that it performed its audit in accordance with U.S. Government accounting standards issued by the Comptroller General of the United States and in accordance with Title 2 Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. RSM is responsible for the enclosed report and the conclusions expressed in it. RSM's audit objectives were to: (1) express an opinion on financial statements; (2) obtain reasonable assurance about whether Pathfinder's combined financial statements are free from material misstatement; and (3) express an opinion on compliance with the types of compliance requirements described in the Office of Management and Budget Compliance Supplement that could have a direct and material effect on each of Pathfinder's major Federal programs for the year ended June 30, 2020. To answer the audit objectives, RSM: (1) obtained evidence about the amounts and disclosures in the financial statements; (2) evaluated the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and evaluated the overall presentation of the financial statements; and (3) considered Pathfinder's internal control over financial reporting and performed tests of Pathfinder's compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. RSM expressed an unmodified opinion on the financial statements and on compliance for major programs. RSM reported that it did not find any material weaknesses, however, a significant deficiency was identified in internal control over financial reporting. Further, RSM reported no material weaknesses nor significant deficiencies were identified in internal control over major federal programs. RSM did not identify any audit findings required to be reported in accordance with 2 CFR 200.516(a) and did not identify any questioned costs in its Federal awards audit for Pathfinder. In addition, although we are not making a recommendation for the significant deficiency noted in the report, we suggest that USAID/Management/Office of Acquisition and Assistance/Cost, Audit, and Support Division, Contract Audit Management Branch determine if Pathfinder addressed the issues noted. Finally, RSM has issued a management letter for fiscal year 2020.
