SUBJECT: Single Audit of Internews Network for the Year Ended December 31, 2020 (3-000-24-057-T)

This memorandum transmits the final audit report on the single audit of Internews Network for the year ended December 31, 2020. The audit report was obtained from the Federal Audit Clearinghouse. Internews Network contracted with the independent audit firm Gelman Rosenberg & Freedman (GRF) to conduct the audit. GRF stated it performed its audit in accordance with U.S. Government accounting standards issued by the Comptroller General of the United States and Title 2 Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. GRF is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Internews Network's schedule of expenditures for Federal awards; the effectiveness of its internal control; or its compliance with the awards, laws, and regulations.¹

GRF's audit objectives were to: (1) express an opinion on the December 31, 2020 consolidated financial statements; (2) obtain reasonable assurance about whether Internews Network's consolidated financial statements are free from material misstatement; and (3) express an opinion on compliance with the types of compliance requirements described in the Office of Management and Budget Compliance Supplement that could have a direct and material effect on each of Internews Network's major Federal programs for the year ended December 31, 2020. To answer the audit objectives, GRF: (1) obtained evidence about the amounts and disclosures in the consolidated financial statements; (2) evaluated the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and evaluated the overall presentation of the consolidated financial statements; and (3) tested

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

Internews Network's compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters which could have a direct and material effect on the determination of financial statement amounts. Internews Network's audited expenditures of Federal awards was \$68,606,227, of which the U.S. Agency for International Development's (USAID) audited expenditures amounted to \$47,095,457.

GRF expressed an unmodified opinion on the financial statements and on compliance for major Federal programs. Further, GRF reported that it did not find any material weaknesses or significant deficiencies in internal control over financial reporting and internal control over major programs. Finally, GRF did not identify any audit findings required to be reported in accordance with 2 CFR 200.516(a) and did not report any Federal award findings and questioned costs.
