MEMORANDUM

DATE: July 18, 2024

TO: USAID/Kenya and East Africa, Mission Director, David Gosney

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by TradeMark Africa Limited in Multiple Countries Under Cooperative Agreement 72062322CA00002, July 1, 2022, to June 30, 2023 (Report No. 4-623-24-107-R)

This memorandum transmits the final audit report on USAID resources managed by TradeMark Africa Limited (TMA) under East Africa Economic Recovery and Reform Activity in Kenya, Ethiopia and Somalia. TMA contracted with the independent audit firm Ernst & Young LLP, Nairobi, Kenya to conduct the audit. The audit firm stated that it performed its audit in accordance with International Standards of Auditing in conjunction with generally accepted government auditing standards. However, it did not have an external peer review that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on TMA's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate TMA's internal controls; (3) determine whether TMA complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Ernst & Young LLP (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by TMA as incurred from July 1, 2022, to June 30, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to TMA's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and

¹ We reviewed the audit firm's report for conformity with professional reporting standards. regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. TMA reported expenditures of \$3,440,260 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$462 in ineligible questioned costs; no material weaknesses in internal control; and two instances of material noncompliance. Since the questioned costs did not meet the OIG's established threshold of \$25,000 for making a recommendation, we are not making a recommendation for the questioned costs and the specifically related noncompliance finding. Nevertheless, we suggest that USAID/Kenya and East Africa determine the allowability of the \$462 in questioned costs and recover any amount determined to be unallowable. The audit firm issued a management letter.

During our desk review, we noted one area for improvement which the audit firm should address in future audit reports. We presented this area in a memo to the controller, dated July 18, 2024.

To address the issues identified in the report, we recommend that USAID/Kenya and East Africa:

Recommendation 1. Verify that TradeMark Africa Limited corrects the one instance of material noncompliance detailed on page 19 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
