SUBJECT: Financial Audit of USAID Resources Managed by World Wild Fund for Nature South Africa in Multiple Countries Under Cooperative Agreement AID-674-A-17-00006, July 1, 2022, to June 30, 2023 (Report No. 4-674-24-101-R)

This memorandum transmits the final audit report on USAID resources managed by World Wild Fund for Nature South Africa (WWFSA) for the Khetha Program in South Africa and Mozambique. WWFSA contracted with the independent audit firm SustainAbility Solutions P.C. (SSPC), Michigan, USA to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on WWFSA's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate WWFSA's internal controls; (3) determine whether WWFSA complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, SSPC (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by WWFSA as incurred from July 1, 2022, to June 30, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to WWFSA's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the

indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. WWFSA reported expenditures of \$1,767,066 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weakness in internal control; and no instances of material noncompliance. The audit firm also issued a management letter.

Accordingly, we are not making any recommendations.
