SUBJECT: Closeout Audit of DanChurchAid Under USAID Agreement AID-OFDA-G-

16-00010 for the Fiscal Year Ended December 31, 2016 (Report No. 3-000-

18-015-R)

This memorandum transmits the final audit report on the recipient contracted audit of DanChurchAid (DCA) for fiscal year ended December 31, 2016. DCA contracted with Gelman, Rosenberg & Freedman to conduct the audit. The contract required Gelman, Rosenberg & Freedman to perform the audit in accordance with generally accepted government auditing standards and the U.S. Agency for International Development (USAID), Office of Inspector General's *Guidelines for Financial Audits Contracted by Foreign Recipients* (Guidelines) issued in February 2009<sup>1</sup>.

Gelman, Rosenberg and Freedman states that it performed its audit in accordance with generally accepted government auditing standards and the Office of Inspector General's *Guidelines for Financial Audits Contracted by Foreign Recipients*. Gelman, Rosenberg and Freedman is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on DCA's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations<sup>2</sup>.

The audit objectives were to (I) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate DCA's internal controls; and (3) determine whether DCA complied with award terms and applicable laws and regulations. To answer the audit objectives, the audit firm: (a) performed audit procedures to evaluate the effectiveness of internal controls considered relevant to prevent or detect material noncompliance applicable to DCA's U.S. Government Award; and (b) examined supporting documentation for financial transactions, which were selected upon a random sample as well as on the materiality of

Office of Inspector General, US Agency for International Development

<sup>&</sup>lt;sup>1</sup> On June 30, 2017, USAID OIG rescinded its Guidelines for Financial Audits Contracted by Foreign Recipients, recognizing the Agency's role to impose requirements on its implementing partners and contractors as a management function. This contracted audit, however, was initiated before that date and follows the Guidelines.

<sup>&</sup>lt;sup>2</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

the transaction. The report on the fund accountability statement disclosed that USAID's audited expenditures were \$4,000,000 for the fiscal year ended December 31, 2016.

Gelman, Rosenberg and Freedman concluded that: (1) the fund accountability statement presented fairly, in all material respects, costs incurred and reimbursed by USAID for the year ended December 31, 2016, in accordance with the terms of the agreements and in conformity with the accrual basis of accounting except for (a) property and equipment that is expensed when purchased; (2) the auditor identified five significant deficiencies in internal control that are required to be reported under U.S. Government Auditing Standards; (3) the auditor's testing disclosed no instances on of noncompliance that is required to be reported by U.S. Government Auditing Standards. Gelman, Rosenberg and Freedman's management letter was submitted with the audit report.

To address the issues identified in the audit report, we recommend that USAID's Office of Acquisition and Assistance Cost, Audit and Support Division:
