**DATE:** August 23, 2018

**TO:** USAID/Mozambique, Mission Director, Jennifer Adams

**FROM:** Regional Inspector General/Pretoria, Robert Mason /s/

**SUBJECT:** Closeout Audit of USAID Resources Managed by Associação Nacional dos Enfermeiros de Moçambique Under Agreement AID-656-A-14-00001, October 1, 2015, to October 20, 2016 (Report No. 4-656-18-011-N)

This memorandum transmits the final audit report on USAID resources managed by Associação Nacional dos Enfermeiros de Moçambique (ANEMO). USAID/Mozambique contracted with the independent certified public accounting firm Ernst & Young Limitada (EY), Maputo, Mozambique to conduct the audit. The contract required the audit firm to perform the audit in accordance with generally accepted government auditing standards (GAGAS).

The audit firm states that it performed its audit in accordance with GAGAS, except that the audit firm did not have continuing professional education and external quality control review programs that fully satisfied the requirements set forth in GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on ANEMO's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate the ANEMO's internal controls; (3) determine whether ANEMO complied with award terms and applicable laws and regulations; (4) review the indirect cost rate, or determine that the review of the indirect cost rate was not applicable; and (5) review the implementation status of the prior period recommendations.

---

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

To answer the audit objectives, EY (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by ANEMO as incurred from October 1, 2015, to October 20, 2016; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to ANEMO's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. ANEMO reported expenditures of \$775,938 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

Since no issues were identified no recommendations are directed to USAID/Mozambique.

We appreciate the assistance extended during the engagement.
