FROM: Assistant Audit Director/Middle East/Eastern Europe Regional Office (Frankfurt), David Thomanek /s/

SUBJECT: Fund Accountability Statement Audit of Community Development Fund's Management of Advancing Kosovo Together-Local Solutions, Cooperative Agreement AID-167-A-14-00008, January 1 to December 31, 2017 (8-167-19-007-R)

This memorandum transmits the final report of the fund accountability statement audit of Community Development Fund's Management of Advancing Kosovo Together-Local Solutions, cooperative agreement AID-167-A-14-00008, January 1 to December 31, 2017. The Community Development Fund contracted with the independent certified public accounting firm Grant Thornton to conduct the audit. The audit firm stated that the contract required the audit firm to perform the audit in accordance with generally accepted government auditing standards.

The audit firm states that it performed its audit in accordance with generally accepted government auditing standards except for not participating in an external quality control review program, and not having a continuing education program that fully satisfy the standards' requirements. The audit firm explained that Kosovo does not offer such a review program. With respect to the continuing education program, the audit firm says that they could not satisfy the standards' requirements because they could not fully obtain the U.S. Government auditing related hours. We do not express an opinion on Community Development Fund's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate the auditee's internal controls; and (3) determine whether the auditee's complied with award terms and applicable laws and regulations. To answer the audit objectives, the audit firm performed the subject financial audit that covered \$3,058,602, for the period from January 1, 2017, to December 31, 2017.

The auditors expressed an unmodified opinion on the fund accountability statement and did not identify any questioned costs. The audit firm did not identify any material internal control weaknesses. The auditors did not identify any material instances of noncompliance with the contract terms and applicable laws and regulations.

The report does not contain any recommendations for your action.

We appreciate the assistance extended to the audit firm's staff during the engagement.
