² We reviewed the audit firm's report for conformity with professional reporting standards. CSFSC's internal controls; (3) determine whether CSFSC complied with award terms and applicable laws and regulations; (4) determine if cost-sharing contributions were made and accounted for by CSFSC in accordance with the agreement terms; and (5) determine if CSFSC has taken adequate corrective action on prior audit recommendations. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; compliance with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The audit covered \$841,067 in USAID funds for the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm did not identify any material internal control weaknesses or instances of noncompliance with applicable laws, regulations, and agreement terms.

The audit firm determined that cost sharing contributions were made and accounted for by CSFSC in accordance with the agreement terms. Additionally, the audit firm determined that the recipient has taken adequate corrective actions on prior audit report recommendations.

Based on the results of the desk review, OIG is not making any recommendation to USAID/Colombia.

We appreciate the assistance extended during the engagement.
