**TO:** USAID/West Bank and Gaza, Mission Director, Monica Stein-Olson

**FROM:** USAID OIG Middle East and Eastern Europe (ME/EE) Regional Office, Assistant Audit Director, Saiming T. Wan /s/

**SUBJECT:** Cost Representation Statement Audit of CH2M Hill, Water Resources Phase III in West Bank and Gaza, Contract 294-C-00-00-00063-00, October 1, 2007, to February 28, 2009 (8-294-19-006-N)

This memorandum transmits the final report on the cost representation statement audit of CH2M Hill, Water Resources Phase III in West Bank and Gaza, Contract 294-C-00-00-00063-00, from October 1, 2007 to February 28, 2009. USAID contracted with the independent certified public accounting firm Deloitte & Touche (M.E.) to conduct the audit. The contract required the audit firm to perform the audit in accordance with generally accepted government auditing standards and the USAID OIG Guidelines for Financial Audits Contracted by Foreign Recipients.<sup>1</sup>

The audit firm states it performed its audit in accordance with generally accepted government auditing standards except that it did not participate in an external quality control review program. The audit firm states that West Bank and Gaza does not offer such a review program.

<sup>1</sup> On June 30, 2017, USAID OIG rescinded its Guidelines for Financial Audits Contracted by Foreign Recipients, recognizing the Agency's role to impose requirements on its implementing partners and contractors as a management function. This contracted audit, however, was initiated before that date and follows the Guidelines.

The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CH2M Hill's Cost Representation Statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>2</sup>

The audit objectives were mainly to: (1) express an opinion on whether the Cost Representation Statement for the period October 1, 2007 to February 28, 2009, was presented fairly, in all material respects; (2) evaluate CH2M Hill's internal controls; and (3) determine whether CH2M Hill complied with the award terms and applicable laws and regulations. To answer the audit objectives, the auditors performed the subject financial audit that covered \$4,134,590 in expenditures for the period October 1, 2007 to February 28, 2009.

The audit firm expressed an unmodified opinion on the cost representation statement and did not identify any question costs. The audit firm did not identify any significant deficiencies or material weaknesses in internal control. The audit firm did not identify any material instances of noncompliance with the award terms and applicable laws and regulations. The auditors also did not identify any material instances of noncompliance with Executive Order 13224.

The report does not contain any recommendations for your action.

We appreciate the assistance extended to the audit staff during the engagement.

The OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
