This memorandum transmits the final report on the cost representation statement Close-out audit of Chemonics International Inc., the Flagship Project in West Bank and Gaza, Contract 294-C-00-08-00225-00, October 1, 2013, to November 14, 2014. The auditee contracted with the independent certified public accounting firm Ernst & Young - Middle East to conduct the audit. The contract required the audit firm to perform the audit in accordance with generally accepted government auditing standards.

The audit firm states it performed its audit in accordance with generally accepted government auditing standards except that it did not participate in an external quality control review program. The audit firm says that West Bank and Gaza does not offer such a review program.

The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the auditee's cost representation statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were mainly to: (1) express an opinion on whether the cost representation statement for October 1, 2013, to November 14, 2014, was presented fairly, in all material respects; (2) evaluate the contractor's internal controls; and (3) determine whether the contractor complied with the contract terms and applicable laws and regulations. The audit objectives also included testing the contractor's compliance with Executive Order 13224 – Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism. To answer the audit objectives, the auditors performed the subject financial audit that covered \$5,396,201 in expenditures for October 1, 2013, to November 14, 2014.

The audit firm expressed an unmodified opinion on the cost representation statement and did not identify any questioned costs. The audit firm did not identify any significant deficiencies or material weaknesses in internal control. The audit firm did not identify any material instances of noncompliance with the contract terms and applicable laws and regulations. Further, the audit firm issued a management letter to Chemonics International, Inc.

The report does not contain any recommendations for your action.

We appreciate the assistance extended to the audit staff during the engagement.
