**DATE:** March 26, 2019

**TO:** USAID/Ghana, Mission Director, Sharon Cromer

**FROM:** USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

**SUBJECT:** Financial Audit of USAID Resources Managed by SEND-Ghana Under Cooperative Agreement AID-641-A-16-00006, March 21, 2016, to December 31, 2017 (Report No.4-641-19-064-R)

This memorandum transmits the final audit report on USAID Resources managed by SEND-Ghana. SEND-Ghana contracted with the independent certified public accounting firm Akus Chartered Accountants, Accra, Ghana to conduct the audit. The contract required the audit firm to perform the audit in accordance with generally accepted government auditing standards.

The audit firm states that it performed its audit in accordance with generally accepted government auditing standards except that the audit firm did not have continuing professional education and external quality control review programs that fully satisfy the requirements set forth in GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on SEND-Ghana's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate the SEND-Ghana's internal controls; and (3) determine whether SEND-Ghana complied with award terms and applicable laws and regulations.

To answer the audit objectives, Akus Chartered Accountants (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by SEND-Ghana as incurred from March 21, 2016, to December 31, 2017; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to SEND-Ghana's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement. SEND-Ghana reported expenditures of \$1,068,832 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm did not identify any questioned costs, significant deficiencies or material weaknesses in internal control, or instances of material noncompliance.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated March 26, 2019.

Accordingly we are making no recommendations.

We appreciate the assistance extended during the engagement.
