TO: USAID/West Africa Regional, Regional Director, Alexandre Deprez

FROM: USAID OIG Africa Regional Office, Assistant Director, Louis Duncan, Jr. /s/

SUBJECT: Financial Audit of USAID Resources Managed by Global Shea Alliance in Multiple Countries Under Agreement AID-624-A-16-00010, January 1 to December 31, 2017 (Report No. 4-624-19-076-R)

This memorandum transmits the final audit report on USAID resources managed by Global Shea Alliance in multiple countries. Global Shea Alliance contracted with the independent certified public accounting firm KPMG, Accra, Ghana to conduct the audit. The contract required the audit firm to perform the audit in accordance with generally accepted government auditing standards.

The audit firm states that it performed its audit in accordance with generally accepted government auditing standards (GAGAS), issued by the U.S. Comptroller General, except that the audit firm did not have continuing professional education and external quality control review programs that fully satisfy the requirements set forth in GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Global Shea Alliance's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly in all material respects; (2) evaluate Global Shea Alliance's internal controls; and (3) determine whether Global Shea Alliance complied with award terms and applicable laws and regulations.

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

To answer the audit objectives, KPMG (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by Global Shea Alliance as incurred from January 1 to December 31, 2017; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to Global Shea Alliance's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; and (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement. Global Shea Alliance reported expenditures of \$1,089,016 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. Moreover, the audit firm did not identify any deficiencies in internal control or instances of material noncompliance.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated May 22, 2019.

Accordingly we are making no recommendations.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b) (4) ("commercial or financial information obtained from a person that is privileged or confidential").
