

## MEMORANDUM

- **DATE:** May 21, 2019
- TO: USAID/Southern Africa, Mission Director, John Groarke
- FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/
- **SUBJECT:** Financial Audit of USAID Resources Managed by Hospice Palliative Care Association of South Africa NPC Under Multiple Awards, April 1, 2017, to March 31, 2018 (Report No. 4-674-19-075-R)

This memorandum transmits the final audit report on USAID resources managed by Hospice Palliative Care Association (HPCA) under the following awards: (1) AID-674-A-13-00016, Care and Support to Improve Patient Outcomes (CaSIPO) and (2) Subaward AID-674-TO-16-00002 under the Tuberculosis South Africa Project implemented by University Research Co., LLC (URC). HPSA contracted with the independent certified public accounting firm PricewaterhouseCoopers (PwC), Stellenbosch, South Africa to conduct the audit. The contract required the audit firm to perform the audit in accordance with generally accepted government auditing standards (GAGAS).

The audit firm states that it performed its audit in accordance with GAGAS, except that the audit firm did not have continuing professional education and external quality control review programs that fully satisfied the requirements set forth in GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on HPCA's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate HPCA's internal controls; (3) determine whether HPCA complied with award terms and applicable laws and regulations; and (4) review the implementation status of prior period recommendations.

<sup>&</sup>lt;sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

To answer the audit objectives, PwC (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by HPCA as incurred from April 1, 2017, to March 31, 2018; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to HPCA's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; and (4) reviewed the implementation status of the prior period recommendations. HPCA reported expenditures of \$8,596,240 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm did not report any deficiencies in internal control or any instances of material noncompliance. The audit firm issued a management letter.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated May 21, 2019.

Accordingly, we do not make any recommendations.

We appreciate the assistance extended during the engagement.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4)("commercial or financial information obtained from a person that is privileged or confidential").
