

MEMORANDUM

DATE: June 27, 2019

TO: USAID/Lebanon Mission Director, Anne Patterson

FROM: USAID OIG Middle East and Eastern Europe (ME/EE) USDH NFA Coordinator, Abdoulaye Gueye /s/

SUBJECT: Audit of the Fund Accountability Statement of Caritas Lebanon, Building Alliance for Local Advancement, Development, and Investment, Cooperative Agreement AID-268-A-12-00005, October 1, 2015, to September 30, 2016 (8-268-19-083-R)

This memorandum transmits the final audit report on the fund accountability statement of Caritas Lebanon, Building Alliance for Local Advancement, Development, and Investment, cooperative agreement AID-268-A-12-00005, October 1, 2015, to September 30, 2016. The auditee contracted with the independent certified public accounting firm Ernst and Young, Lebanon to conduct the audit.

The audit firm states it performed its audit in accordance with generally accepted government auditing standards except that it did not participate in an external quality control review program and did not have a continuing education program that fully satisfies the standards' requirements. The audit firm says that Lebanon does not offer such a review program. With respect to the continuing education program, the audit firm says that they could not satisfy the standards' requirements because they could not fully obtain the U.S. Government auditing related hours.

The audit firm is responsible for the enclosed auditor's report and the conclusions expressed in it. We do not express an opinion on the auditee's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were mainly to: (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate the auditee's internal controls; and (3) determine whether the auditee complied with the award terms and applicable laws and regulations. To answer the audit objectives, the auditors performed the subject financial audit that covered \$1,422,608 from October 1, 2015, to September 30, 2016.

The audit firm expressed an unmodified opinion on the fund accountability statement and did not identify any question costs. The audit firm did not identify any material instances of noncompliance with the award terms and applicable laws and regulations. In addition, the auditors said that the auditee addressed the significant internal control deficiency noted in the report.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a letter to USAID/Middle East Regional Platform (MERP), Regional Controller.

The report does not contain any recommendations for your action.

We appreciate the assistance extended to the audit staff during the engagement.

The OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
