This memorandum transmits the final audit report on the Regional Climate Change Program, managed by Centro Agronómico Tropical de Investigación y Enseñanza (CATIE). <sup>1</sup> On June 30, 2017, USAID OIG rescinded its "Guidelines for Financial Audits Contracted by Foreign Recipients," recognizing the Agency's role to impose requirements on its implementing partners and contractors as a management function. This contracted audit, however, follows the Guidelines.

<sup>2</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

applicable laws and regulations; (4) determine if CATIE has taken adequate corrective action on prior audit recommendations; and (5) determine if cost-sharing contributions were made and accounted for by CATIE in accordance with the terms of the agreement. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; compliance with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The audit covered \$ 2,771,974 of USAID funds for the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms.

The audit firm determined that cost sharing contributions were made and accounted for by CATIE in accordance with the agreement terms.

Based on the results of the desk review, OIG is not making any recommendation to USAID/EI Salvador.

We appreciate the assistance extended during the engagement.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
