FROM: USAID OIG Middle East and Eastern Europe (ME/EE) Regional Office, Audit Director, David Thomanek /s/

SUBJECT: Closeout Audit of the Fund Accountability Statement of America-Mideast Educational and Training Services, Inc., School Support Program in West Bank and Gaza, Cooperative Agreement AID-294-A-13-00006, October 1, 2017 to August 31, 2018 (8-294-20-020-R)

This memorandum transmits the final report of the closeout audit of the fund accountability statement of America-Mideast Educational and Training Services, Inc., School Support program, cooperative agreement AID-294-A-13-00006, from October 1, 2017, to August 31, 2018. The auditee contracted with the independent certified public accounting firm El Wafa Company to conduct the audit. The audit firm stated that it performed its audit in accordance with the U.S. Government Auditing Standards issued by the Comptroller General of the United States. However, it did not have an external quality control review program that fully satisfies the standards' requirements. The audit firm explained that West bank and Gaza does not offer such a review program. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the auditee's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations¹.

The audit objectives were mainly to: (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate the auditee's internal controls; and (3) determine whether the auditee complied with the award terms and applicable laws and regulations, including testing the auditee's compliance with executive order 13224 – Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism. To answer the audit objectives, the audit firm performed the subject financial audit that covered total expenditures of \$3,055,830 from October 1, 2017, to August 31, 2018.

¹We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

The auditors expressed an unmodified opinion on the fund accountability statement and did not identify any questioned costs. The audit firm did not identify any material weaknesses in internal control, or any material instances of noncompliance with the agreement terms, conditions and applicable laws and regulations. The auditors also did not identify any material instances of noncompliance with Executive Order 13224.
