TO: USAID/Brazil Mission Director, Ted Gehr

FROM: USAID OIG Latin America and Caribbean (LAC) Regional Office, through Global and Strategic Audits Division (GSAD) Assistant Director, Pamela Hamilton /s/

SUBJECT: Financial Audit of the Oil Palm Diversification: Reconciling Conservation with Livelihoods Program in Brazil Managed by Natura Cosméticos S.A., Cooperative Agreement AID-512-A-16-00001, January 1 to December 31, 2018 (9-512-20-014-R)

This memorandum transmits the final audit report on the Oil Palm Diversification: Reconciling Conservation with Livelihoods Program in Brazil. Natura Cosméticos S.A. (Natura) contracted with the independent certified public accounting firm RSM Brasil Auditores Independentes to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have a continuing education program that fully complies with GAGAS requirements and an external peer review because such program is not offered in Brazil. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Natura's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited; was presented fairly, in all material respects; (2) evaluate Natura's internal controls; (3) determine whether Natura complied with award terms and applicable laws and regulations; and (4) determine if Natura has taken adequate corrective action on prior audit recommendations. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; compliance with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The

audit covered \$787,218 of USAID expenditures for the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms. The audit firm issued a management letter which included minor internal control deficiencies.

Based on the results of the desk review, OIG is not making any recommendation to USAID/Brazil.

We appreciate the assistance extended during the engagement.
