

MEMORANDUM

DATE: April 16, 2020

TO: USAID/Kenya and East Africa, Mission Director, Mark Meassick

FROM: USAID OIG Africa Regional Office, Assistant Director, Matthew Rathgeber /s/

SUBJECT: Financial Audit of USAID Resources Managed by Northern Rangelands Trust in Kenya Under Multiple Awards, January 1 to December 31, 2018 (Report No. 4-615-20-051-R)

This memorandum transmits the final audit report on USAID resources managed by Northern Rangelands Trust (NRT) under the following awards:

Award Name (Type)	Award Number	Audit Period
USAID Climate Resilient Community Conservancies Program in Kenya (cooperative agreement)	AID- 615-A-15-00009	Jan. 1 - Dec. 31, 2018
Accelerated Value Chain Development on Livestock and Fish Funded by International Livestock Research Institute (subgrant)	IS03/USA081	Jan. 1 - Dec. 31, 2018

NRT contracted with the independent certified public accounting firm Deloitte & Touche, Nairobi, Kenya, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on NRT's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

NRT's internal controls; (3) determine whether NRT complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Deloitte & Touche (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by NRT as incurred from January 1 to December 31, 2018; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to NRT's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. NRT reported expenditures of \$4,760,896² in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited, except for \$47,666 in total questioned costs (\$46,676 ineligible and \$990 unsupported); no material weaknesses in internal control; and eight instances of material noncompliance. Two of the material noncompliance findings relate to recommendations made in the prior year. We will thus not make another recommendation for material noncompliance finding 4.2.1 & 4.2.4., but the related current year questioned cost will still be questioned. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Kenya and East Africa determine if the recipient addressed the issues noted.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated April 16, 2020.

To address the issues identified in the report, we recommend that USAID/Kenya and East Africa:

Recommendation 1. Determine the allowability of \$47,666 (\$46,676 ineligible, \$990 unsupported) on pages 18 and 20 of the audit report and recover any amount that is unallowable.

Recommendation 2. Verify that Northern Rangelands Trust corrects the six instances of material noncompliance detailed on pages 36 to 38, and 41 to 44 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision. We appreciate the assistance extended during the engagement.

² USAID expenditures only (total costs for agreement AID- 615-A-15-00009 \$4,664,610 + total costs for subgrant IS03/USA081 \$96,286)
