

## MEMORANDUM

**DATE:** April 16, 2020

**TO:** USAID/Iraq Mission Director, Dana Mansuri

**FROM:** USAID OIG Middle East and Eastern Europe (ME/EE) Regional Office,  
USDH NFA Coordinator, John Vernon /s/

**SUBJECT:** Independent Audit Report on Chemonics International Inc.'s Direct Costs Incurred and Billed Under USAID/Iraq Contract AID-267-11-00006, January 1, 2014, to June 30, 2015 (8-267-20-004-D)

This memorandum transmits the final Defense Contract Audit Agency (DCAA) report number 1431-2015M17900001, on direct incurred and billed under USAID/Iraq Contract AID-267-11-00006, January 1, 2014, to June 30, 2015. USAID/Iraq contracted with the DCAA to conduct the audit. DCAA states that it performed its audit in accordance with generally accepted government auditing standards. DCAA is responsible for the enclosed auditor's report and the conclusions expressed in it. We do not express an opinion on the auditee's direct costs incurred and billed; the effectiveness of its internal control; or its compliance with the contract, laws, and regulations.<sup>1</sup>

The engagement objectives were mainly to express an opinion on whether the costs incurred and billed comply, in all material respects, with applicable contract terms from January 1, 2014, to June 30, 2015. To answer the engagement objectives, the auditors performed the subject examination that covered \$12,314,321 in expenditures from January 1, 2014, to June 30, 2015.

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

DCAA expressed a qualified opinion, arising from scope limitations regarding real time labor costs testing, verifying cash payments made to cooperating country nationals employees in Iraq, and testing scanned copies as source documents. The auditors did not identify any questioned costs on the direct costs incurred and billed. Otherwise, Chemonics International Inc. complied in all material respects with the terms of contract number AID-267-11-00006, from January 1, 2014, to June 30, 2015.

The report does not contain any recommendations for your action.

We appreciate the assistance extended to the DCAA staff during the engagement.
