FROM: USAID OIG Africa Regional Office, Assistant Director, Matthew Rathgeber /s/

SUBJECT: Financial Audit of USAID Resources Managed by Addis Continental Institute of Public Health in Ethiopia Under Cooperative Agreement AID-663-A-14-00004, July 8, 2018, to July 7, 2019 (Report No. 4-663-20-075-R)

This memorandum transmits the final audit report on USAID resources managed by Addis Continental Institute of Public Health (ACIPH). ACIPH contracted with the independent certified public accounting firm Tesfaye Teferi Anbesse, Addis Ababa, Ethiopia, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on ACIPH's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate ACIPH's internal controls; (3) determine whether ACIPH complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Tesfaye Teferi Anbesse (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by ACIPH as incurred from July 8, 2018, to July 7, 2019; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to ACIPH's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. ACIPH reported expenditures of \$853,166 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. Although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Ethiopia determine if the recipient addressed the issues noted.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated May 21, 2020.

Accordingly, we are not making any recommendations.

We appreciate the assistance extended during the engagement.
