SUBJECT: Financial Closeout Audit of USAID Resources Managed by SAGCOT Centre Limited in Tanzania Under Grant Agreement AID-621-G-13-00002, January 1 to December 31, 2019 (Report No. 4-621-20-081-R)

This memorandum transmits the final audit report on USAID resources managed by SAGCOT Centre Limited (SAGCOT). SAGCOT contracted with the independent certified public accounting firm PricewaterhouseCoopers (PwC), Dar es Salaam, Tanzania, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on SAGCOT’s fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate SAGCOT’s internal controls; (3) determine whether SAGCOT complied with award terms and applicable laws and regulations (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, PwC (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by SAGCOT as incurred from January 1 to December 31, 2019; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to SAGCOT’s ability to report financial data consistent with the assertions embodied in each account of the fund

¹ We reviewed the audit firm’s report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. SAGCOT reported expenditures of $2,058,138 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. No questioned costs; no material weaknesses in internal control; and no instances of material noncompliance were identified.

Accordingly, we are making no recommendations.

We appreciate the assistance extended during the engagement.
