FROM: USAID OIG Africa Regional Office, Assistant Director, Matthew Rathgeber /s/

SUBJECT: Financial Audit of USAID Resources Managed by Tanzania Social Action Fund Under Strategic Objective Agreement 621-0010.01-26, November 7, 2017, to November 6, 2019 (Report No. 4-621-20-097-R)

This memorandum transmits the final audit report of USAID resources managed by Tanzania Social Action Fund (TASAF). TASAF contracted with the independent certified public accounting firm Ernst & Young, Dar es Salaam, Tanzania, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on TASAF's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate TASAF's internal controls; (3) determine whether TASAF complied with award terms and applicable laws and regulations.

To answer the audit objectives, Ernst & Young (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by TASAF as incurred from November 7, 2017, to November 6, 2019; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to TASAF's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material

¹ We reviewed the audit firm’s report for conformity with professional reporting standards. effect on the fund accountability statement. TASAF reported expenditures of $4,233,210 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. No questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Tanzania determine if the recipient addressed the issues noted.

During our desk review, we noted several issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated July 27, 2020.

Accordingly, we are not making any recommendations.

We appreciate the assistance extended during the engagement.
