

## MEMORANDUM

**DATE:** January 28, 2021

**TO:** USAID/Management/Office of Acquisition and Assistance/Cost, Audit, and Support Division, Supervisory Auditor, Eleanor C. Jefferson

**FROM:** Director of External Financial Audits Division (IG/A/EFA), David A. McNeil /s/

**SUBJECT:** Single Audit of IntraHealth International, Inc. for the Fiscal Year Ended June 30, 2019 (3-000-21-003-T)

This memorandum transmits the final audit report on IntraHealth International, Inc, (IntraHealth) for the fiscal year ended June 30, 2019. The audit report was obtained from the Federal Audit Clearinghouse. IntraHealth International, Inc. contracted with the independent certified public accounting firm Gelman Rosenberg & Freedman to conduct the audit. The audit firm states it performed its audit in accordance with generally accepted government auditing standards and in accordance with Title 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. The audit firm is responsible for the enclosed report and conclusions expressed in it. We do not express an opinion on IntraHealth's financial statements; the effectiveness of its internal control; or its compliance with the awards, laws, and regulations.<sup>1</sup>

The audit objectives were to: (1) express an opinion on whether the financial statements as of June 30, 2019 were presented fairly in all material respects; (2) express an opinion on whether the schedule of expenditures of federal awards as required by Title 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is fairly stated in all material respects; (3) describe the scope of testing of internal control and compliance and the results of that testing and not to provide an opinion on its effectiveness; and (4) determine whether IntraHealth complied in all material respects with the types of compliance requirements that could have a direct and material effect on each of its major federal programs and the results of that testing, but not to express an opinion on its effectiveness. To answer the audit objectives, the audit firm performed tests of

---

<sup>1</sup>We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

IntraHealth's compliance with specific provisions of laws, regulations, contracts, and grant agreements and other matters. IntraHealth's audited expenditures of federal awards were \$98,478,507 of which the U.S. Agency for International Development's (USAID) audited expenditures of Federal Awards were \$ 66,797,339 for fiscal year ended June 30, 2019.

The audit firm expressed unmodified opinions on the financial statements and on compliance for the major federal programs. Additionally, the audit firm concluded the schedule of expenditures of federal awards was fairly stated, in all material respects, in relation to the financial statements as a whole. The audit firm did not identify any deficiencies in internal control over financial reporting that it considered to be material weaknesses. The audit firm identified three findings: 2019-01, 2019-02, and 2019-03, as instances of noncompliance or other matters that are required to be reported under Government Auditing Standards, as well as other areas of concerns of internal control over compliance. Although we are not making a recommendation for the instances of noncompliance noted in the report, we suggest that USAID/Management/Office of Acquisition and Assistance/Cost, Audit, and Support Division determine if the recipient addressed the issues noted. Gelman, Rosenberg & Freedman did not identify any questioned costs. A management letter was submitted with the audit report.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
