

MEMORANDUM

DATE: March 23, 2021

TO: USAID/Honduras Mission Director, Fernando Cossich

FROM: USAID OIG Latin America and Caribbean (LAC) Regional Office, Senior Auditor, John Vernon /s/

SUBJECT: Financial Audit of the Consejo Nacional Anticorrupción Program in Honduras Managed by Consejo Nacional Anticorrupción, Cooperative Agreement AID-522-A-17-00001, for the Fiscal Year Ended December 31, 2019 (9-522-21-018-R)

This memorandum transmits the final audit report on the Consejo Nacional Anticorrupción (CNA) Program in Honduras. CNA contracted with the independent certified public accounting firm PricewaterhouseCoopers Interamérica, S. de R. L. to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards and USAID Financial Audit Guide for Foreign Organizations. However, it did not have a continuing education program that fully complies with GAGAS requirements and an external peer review because such program is not offered in Honduras. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CNA's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate CNA's internal controls; (3) determine whether CNA complied with award terms and applicable laws and regulations; (4) determine if cost-sharing contributions were made and accounted for by CNA in accordance with the terms of the agreement; and (5) determine if CNA has taken adequate corrective action on prior audit recommendations. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; compliance with applicable laws, regulations, the agreement's provisions;

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

and reviewed project expenditures. The audit covered \$881,407 of USAID expenditures for the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm identified two internal control significant deficiencies. Although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Honduras determine if the recipient addressed the issues noted. The audit firm did not identify any instances of material noncompliance with applicable laws, regulations, and agreement terms. The audit firm issued a management letter which included minor internal control deficiencies.

The audit firm stated that based on their review, nothing came to their attention that caused them to believe that CNA did not fairly present the cost sharing contributions schedule, in all material respects, in accordance with the basis of accounting used to prepare the cost sharing contributions schedule.

The audit firm stated that the recipient has not taken adequate corrective action to address two prior audit report recommendations.

During our desk review, we noted several issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated March 23, 2021.

Based on the results of the desk review, OIG is not making any recommendation to USAID/Honduras.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
