**TO:** USAID/Southern Africa, Acting Mission Director, Rebecca Krzywda

**FROM:** USAID OIG Africa Regional Office, Assistant Director, Matthew Rathgeber /s/

**SUBJECT:** Financial Audit of USAID Resources Managed by Baylor College of Medicine Children's Foundation Malawi in Multiple Countries Under Cooperative Agreement AID-674-A-16-00003, July 1, 2019, to June 30, 2020 (Report No. 4-674-21-063-R)

This memorandum transmits the final audit report on USAID resources managed by Baylor College of Medicine Children's Foundation Malawi (BCM-CFM) TSP program implemented in Malawi, Lesotho, Namibia and Eswatini. BCM-CFM contracted with the independent certified public accounting firm Graham Carr, Lilongwe, Malawi, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on BCM-CFM's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate BCM-CFM's internal controls; (3) determine whether BCM-CFM complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Graham Carr (1) audited the fund accountability statement for

the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by BCM-CFM as incurred from July 1, 2019, to June 30, 2020; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to BCM-CFM 's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. BCM-CFM reported expenditures of \$12,651,375 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm did not identify any questioned costs; material weaknesses in internal control; or instances of material noncompliance.

Accordingly, we are not making any recommendations.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated May 27, 2021.
