TO: USAID/Tanzania, Mission Director, Andrew Karas

FROM: USAID OIG Africa Regional Office, Assistant Director, Matthew Rathgeber /s/

SUBJECT: Financial Audit of USAID Resources Managed by National Council of People Living With HIV and AIDS in Tanzania Under Cooperative Agreement 72062120CA00001, December 10, 2019, to June 30, 2020 (Report No. 4-621-21-069-R)

This memorandum transmits the final audit report on USAID resources managed by National Council of People Living with HIV and AIDS (NACOPHA) in Tanzania. NACOPHA contracted with the independent certified public accounting firm PricewaterhouseCoopers, Dar es Salaam, Tanzania (PWC), to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on NACOPHA's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate NACOPHA's internal controls; (3) determine whether NACOPHA complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, PWC (1) audited the fund accountability statement for the

award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by NACOPHA as incurred from December 10, 2019, to June 30, 2020; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to NACOPHA's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. NACOPHA reported expenditures of \$1,652,328 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited, except for \$163,290 in total unsupported questioned costs; no material weaknesses in internal control; and five instances of material noncompliance. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Tanzania determine if the recipient addressed the issues noted.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated June 21, 2021.

To address the issues identified in the report, we recommend that USAID/Tanzania:

Recommendation 1. Determine the allowability of \$163,290 in unsupported questioned costs on page 33 of the audit report and recover any amount that is unallowable.

Recommendation 2. Verify that National Council of People Living with HIV and AIDS corrects the five instances of material noncompliance detailed on pages 30 to 34 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
