This memorandum transmits the final closeout audit report on the fund accountability statement of Peace Players International, Champions for Peace Project in West Bank and Gaza, cooperative agreement AID-294-A-17-00002, from September 13, 2017 to January 31, 2019. USAID/West Bank and Gaza contracted with the independent certified public accounting firm Deloitte & Touche ME to conduct the audit. The audit firm stated that it performed the audit in accordance with U.S. Government Auditing Standards issued by the Comptroller General of the United States. However, it did not participate in an external quality control review program because professional organizations in West Bank and Gaza do not offer such a review program. laws and regulations. To answer the audit objectives, the audit firm performed the subject financial audit that covered \$848,872 from September 13, 2017 to January 31, 2019.

The auditors expressed an unmodified opinion on the fund accountability statement and did not identify any questioned costs. The auditors did not identify any material internal control weaknesses or any material instances of noncompliance with applicable laws and regulations. The auditors did not identify any material instances of noncompliance with Executive Order 13224. The report included personally identifiable information in appendix A and B.

During our desk review, we noted a minor issue which the audit firm would need to address in future audit reports. We presented this issue in a memo to the controller dated June 15, 2021.

The report does not include any recommendations for your action.
