**DATE:** June 14, 2021

**TO:** USAID/Guatemala Mission Director, Anupama Rajaraman

**FROM:** USAID OIG Latin America and Caribbean (LAC) Regional Office, Senior Auditor, John Vernon /s/

**SUBJECT:** Closeout Financial Audit of the Sustainable Economic Observatory Project Managed by Universidad Del Valle de Guatemala, Cooperative Agreement AID-520-A-16-00006, January 1, 2018, to August 31, 2020 (9-520-21-021-R)

This memorandum transmits the final audit report on the Sustainable Economic Observatory Project. Universidad Del Valle de Guatemala (UVG) contracted with the independent certified public accounting firm Arévalo Pérez, Iralda y Asociados, S.C. to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review because such program is not offered in Guatemala. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on UVG's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate UVG's internal controls; (3) determine whether UVG complied with award terms and applicable laws and regulations; and (4) determine if cost-sharing contributions were made and accounted for by UVG in accordance with the terms of the agreement. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; compliance with applicable laws, regulations, the agreement's provisions; and reviewed

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. project expenditures. The audit covered \$4,051,680 of USAID expenditures for the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms.

The audit firm stated that based on their review, nothing came to their attention that caused them to believe that UVG did not fairly present the cost sharing contributions schedule, in all material respects, in accordance with the basis of accounting used to prepare the cost sharing contributions schedule.

Based on the results of the desk review, OIG is not making any recommendations to USAID/Guatemala.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) (“commercial or financial information obtained from a person that is privileged or confidential”).
