

MEMORANDUM

DATE: July 20, 2021

TO: USAID/Zimbabwe, Mission Director, Arthur Brown

FROM: USAID OIG Africa Regional Office, Assistant Director, Matthew Rathgeber /s/

SUBJECT: Financial Audit of USAID Resources Managed by Africaid in Zimbabwe Under Cooperative Agreement AID-613-A-17-00001, January 1 to December 31, 2020 (Report No. 4-613-21-079-R)

This memorandum transmits the final audit report on USAID resources managed by Africaid. Africaid contracted with the independent certified public accounting firm Grant Thornton, Harare, Zimbabwe, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Africaid's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited was presented fairly, in all material respects; (2) evaluate Africaid's internal controls; (3) determine whether Africaid complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Grant Thornton (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by Africaid as incurred from January 1 to December 31, 2020; (2) evaluated the control environment, the

adequacy of the accounting systems, and control procedures that pertain to Africaid's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. Africaid reported expenditures of \$2,444,614 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Zimbabwe determine if the recipient addressed the issues noted.

Accordingly, we are not making any recommendations.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated July 20, 2021.
