with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The audit covered \$925,415 of USAID expenditures for the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms. The audit firm issued a management letter which included follow-up of minor deficiencies from prior audits.

Based on the results of the desk review, OIG is not making any recommendation to USAID/EI Salvador.
