SUBJECT: Financial Audit of CESVI Under Multiple, USAID Agreements for the Fiscal Year Ended December 31, 2019 (3-000-22-002-R)

This memorandum transmits the final audit report on the recipient contracted audit of CESVI for the fiscal year (FY) ended December 31, 2019. CESVI contracted with the independent certified public accounting firm of Gelman, Rosenberg & Freedman, CPAs & Advisors (GRF) to conduct the audit. The audit firm stated that it performed the audit in accordance with generally accepted government auditing standards and USAID's Financial Audit Guide for Foreign Organizations. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CESVI's fund accountability statement; the effectiveness of its internal control; and its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate CESVI's internal controls; and (3) determine whether CESVI complied with award terms and applicable laws and regulations. To answer the audit objectives, GRF reviewed direct and indirect costs billed to and reimbursed by U.S. Government costs incurred but pending reimbursement, and identified and quantified any questioned costs. The report on the fund accountability statement disclosed that CESVI's audited United States Agency for International Development's (USAID) expenditures for the FY ended December 31, 2019, were \$824,422.

GRF expressed an unmodified opinion stating that the fund accountability statements presented fairly, in all material respects, costs incurred and reimbursed by the United States Agency for International Development (USAID) for the year ended December 31, 2019, in accordance with the terms of the agreements and in conformity with the accrual basis of accounting, except that property and equipment purchased with U.S. Government funds is expensed when purchased. The audit firm did not identify any deficiencies that were considered material weaknesses in internal control and did not identify any instances of noncompliance that are

required to be reported under *U.S. Government Auditing Standards*. GRF did not identify any findings or questioned costs.
